

Nabeel Muhammad

Undergraduate Information System Student | contact@nabeelmuhammad.me | <https://nabeelmuhammad.me>

I am a college student with an interest in business, data science, and programming. I have a high curiosity to learn more about my interests. I am capable in problem-solving, prioritizing tasks, and providing creative ideas.

Experience

UI Women in Business Web Development Mar 2025 - Present

Frontend Developer

- Developed a fully responsive and high-performance static event website using Next.js and Tailwind CSS.
- Translated UI/UX designs into pixel-perfect, interactive web pages, building reusable components with React.
- Managed the entire frontend codebase, focusing on clean, maintainable code and a mobile-first design approach.

Forum Ukhuwah dan Kajian Islam Fasilkom UI Jun 2024 - April 2025

Information Technology Staff

- Develop, test, and maintain websites and web applications using languages such as HTML, CSS, JavaScript, and relevant frameworks.
- Ensure the technical feasibility of UI/UX designs and optimize applications for maximum speed and scalability.

Compfest May 2024 - Nov 2024

Event Staff

- Coordinate with speakers, performers, and vendors to ensure their needs are met and schedules are adhered to.
- Ensure all materials and supplies are available and organized before the event starts.

Dasar-Dasar Pemrograman 0 Jun 2024 - Sept 2024

Student Mentor

- Assist in teaching basic programming principles, such as variables, control structures, data types, and basic algorithms.
- Offer one-on-one or group mentoring sessions to address individual learning needs and answer questions related to course material.
- Monitor student progress and gather feedback to identify areas for course enhancement and support needs.

BETIS Fasilkom UI Jan 2024 - May 2024

Student Mentor

- Provide focused tutoring to help students prepare for the SNBT (Seleksi Nasional Berdasarkan Tes), ensuring they understand the key topics and formats of the exam.
- Act as a mentor, providing ongoing encouragement and support to help students stay motivated and confident as they prepare for the SNBT.
- Monitor student progress, offering constructive feedback and personalized advice to help them improve their performance.
